A core requirement of the National Plan for Music Education is that every child should have the opportunity to learn a musical instrument through whole class instrumental teaching (WCIT). WCIT projects are led by high-quality music teachers who will develop musical skills that can be applied in National Curriculum music lessons. For some this may be the start of a life-long hobby or, indeed, the first step on a rewarding career path.

Costs

£950 3 Terms of Tuition

(2 terms of WCIT and 1 term of large group continuation)

*schools are only eligible for 1 year group/class at this rate

EARLY BIRD OFFER! Schools booking before 31 March 2018 for September delivery can benefit from a discount of £100 on delivery on the first class.
