As in the previous year, all primary & junior schools can access a fully funded term of whole class ensemble provision and a free in-school consultation to help you make the best of your musical opportunities.

We are extremely proud of our offer here in Norfolk and are pleased to be able to work together with many partner organisations to augment and support music in your school and across Norfolk as a whole.

WHOLE CLASS ENSEMBLE TEACHING

A core requirement of the National Plan for Music Education is that every child should have the opportunity to learn a musical instrument through Whole Class Ensemble Teaching (WCET).

WCET projects are led by high-quality music teachers who will develop musical skills that can be applied in National Curriculum music lessons. For some this may be the start of a life-long hobby or, indeed, the first step on a rewarding career path.

The Music Service offers 1 full term of WCET for **Year 4s** in every primary & junior school free of charge for schools signed up to a Hub Subscription Package 2020/21 (see page 22).

Charges: Free of charge

Our children have always loved singing and enjoyed their music lessons, however the specialist support to learn an instrument, ensuring dedicated time that takes place weekly has been outstanding. The time, effort and stress, for the teacher to plan music lessons has gone, leaving the teacher free to enjoy learning alongside the pupils, modelling that growth mindset. The variation has kept interest and motivation and any child struggling with one instrument can achieve success through another.

CORE & EXTENSION ROLES

The National Plan for Music Education outlines core and extension roles that all Hubs are required to deliver as a condition of their funding from Department for Education which is administered through Arts Council England. These roles set a benchmark for good practice for a well-rounded service within Music Education Hubs.

- ▶ Provide opportunities to play in ensembles and to perform from an early stage.
- ▶ Ensure that clear progression routes are available and affordable to all young people.
- ▶ Develop a singing strategy to ensure that every pupil is singing regularly and that choirs and other vocal ensembles are available in the area.

EXTENSION ROLES

- ▶ Offer Continuing Professional Development (CPD) to school staff, particularly in supporting schools to deliver music in the curriculum.
- ▶ Provide an instrument loan service, with discounts or free provision for those on low incomes.
